Winter Changes & Updates

On November 1st daylight savings kicks in, which means it will get dark earlier. **Pro Shop Hours** through November will run 7:30 am to 5:00 pm; tee times will be open from 8:00 am to 4:00 pm, weather permitting.

The Snack Bar will be fully operational on Fridays, Saturdays and Sundays throughout the month of November. During Monday – Thursday snacks, beverages and the occasional hotdog will still be available: please just see the Pro Shop for assistance.

Covid-19 Policy Update: since the virus-spread is not slowing down and we still must be cautious. Facemasks will continue to be required in the clubhouse, and Pro Shop-access will remain limited. Carts passed quickly from one player to the next will continue to be disinfected by our employees, and "at risk" individuals may continue to ride solo on a cart. Please do not come out if you are showing any COVID symptoms or have had recent exposure. Be sure to social distance before and after your round, especially if you are not wearing a mask.

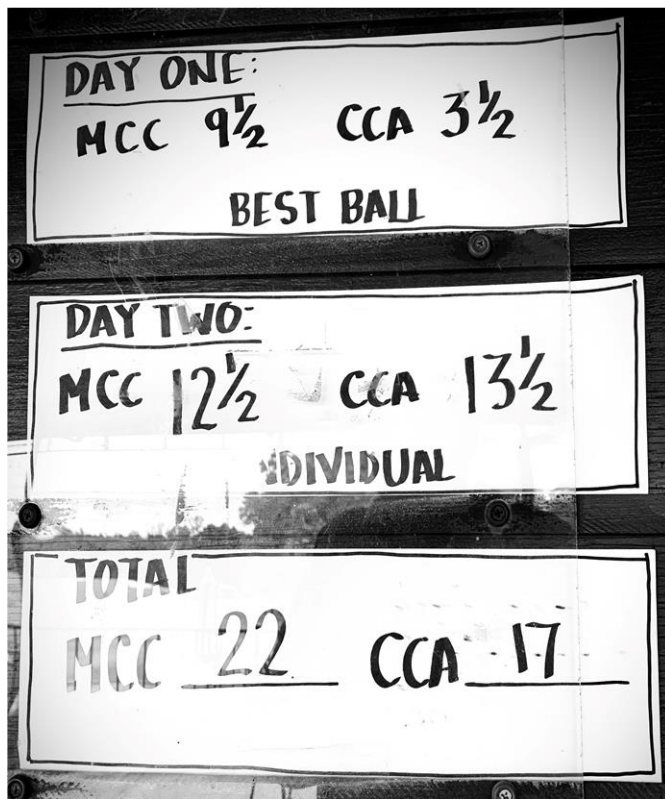

As we learn more about how the Coronavirus spreads the golf industry is shifting away from some early safety precautions. **Effective immediately pins may be removed from the holes and bunker rakes will be returned to the course.** We ask that everyone in their groups safely performs these actions while on the course. Remember, the rule changed and golfers are allowed to putt with the flag in before Covid-19 precautions.

CCA will continue to keep course **bathrooms** locked. Ladies obtaining bathroom keys are encouraged to wash your hands thoroughly and lock the bathroom door behind you. Please return the key to the clubhouse immediately following your round. The course bathrooms will remain locked but useable until the first freeze.

With limited clubhouse access during the upcoming WET season **it is the responsibility of the player to obtain cart-path rules prior to your round.** CCA asks that everyone adheres to CCA's rules; it is strictly to preserve the grass and the course.

2020 MAYORS CUP RESULTS

The 2020 Mayor Cups, a Ryder Cup format against Maumelle Country Club and was played Saturday October 10th and Sunday 11th. CCA won in 2019. Saturday's Four-Ball matches started at 10:00 am at Maumelle Country Club and Sunday's single matches started at the same time.

After the Saturday Four-Ball matches The Country Club of Arkansas suffered a major point's deficit. It was going to be a grind to win enough points in the Sunday Singles matches but it could be done. CCA would have to win most of the singles matches to pull out a 2020 victory. Maumelle Country Club won the Mayor's Cup, but it was a battle for them on Sunday since CCA was, at one point, ahead in most of the singles matches. The Country Club of Arkansas ended up with 13 1/2 points when we needed 16 1/2 points to win.
